

Friends of the Disabled (FoD)
Hospital and Rehabilitation Centre for Disabled Children (HRDC)

VACANCY ANNOUNCEMENT

Date of the first publication: September 12, 2024

Hospital and Rehabilitation Centre for Disabled Children (HRDC) is one and only program of The Friends of the Disabled (FoD), a non-for-profit organization dedicated to provide treatment and rehabilitation services to children with physical disabilities. FOD/ HRDC in partnership with CBM Global has been implementing a Physical Rehabilitation Project in Siraha, Madesh Province with the objective to enhance the quality of life of persons with physical disabilities. We are seeking two Physiotherapists one to join our Physiotherapy team in HRDC in Banepa and the next to join our Project team in Lahan, Siraha. The Physiotherapists will be responsible for providing support and assistance to individuals with physical disabilities, helping them to achieve their rehabilitation goals and improve their quality of life. This role involves working closely with persons with physical disabilities, their families, and other healthcare professionals to develop and implement personalized rehabilitation plans. The ideal candidate will have a strong background in rehabilitation services, excellent communication skills, and a compassionate approach to working with persons with disabilities.

EXTERNAL

1. Position: Physiotherapist

Location: HRDC, Banepa and Lahan, Siraha
Job Code: 01-2081
Number: 2

We are seeking a highly motivated and skilled Physiotherapist to join our hospital and rehabilitation centre in Banepa, Kavre. As a Physiotherapist, you will work under the direction of a Head of the Physiotherapy department to develop and implement treatment plans, evaluate patient progress, educate patients on proper exercise techniques, and provide physiotherapy services in outreach locations in camps as required.

Similarly, we are seeking a highly motivated and skilled Physiotherapist to join our dynamic project team in Siraha. The successful candidate will be responsible for providing physiotherapy services to patients in various settings, including hospitals, clinics, camps, and local communities. As a Physiotherapist, you will work under the direction of the Project Manager to develop and implement treatment plans, evaluate patient progress, and educate patients on proper exercise techniques and disability management. The Physiotherapist needs to coordinate with local government and organizations to provide accessible physiotherapy services to the communities.

Basic Requirement:

- Bachelor's degree in Physiotherapy or related field with a year of working experience in the related field. OR Certificate level in Physiotherapy or related field with two years of working experience in the related field.
- Good computer knowledge and communication skills.
- High degree of flexibility in work times, workload, and activities, with the ability to work consecutively in the hospital and the field.

An interested eligible person may apply with the cover letter stating the position, reference no, updated curriculum vitae, Copies of certificates, citizenship, and your photograph within the given closing date and time below.

Closing date

September 26, 2024; Time: 4:30 PM

Note: Qualified Persons with Disabilities & women are strongly encouraged to apply. Local applicants will be given priority. Applicant should be committed to the protection & safeguarding of Children with Disabilities. Only shortlisted candidates will be called for an interview.
